Summary

This is a collection of gargoyles that I converted into post toppers.

[Household](#) > [Outdoor & Garden](#)

Tags: [fence](#) [gargoyle](#) [post](#) [topper](#)

Remixed from a variety of sources. See links below. I scaled and modified each model to work with my universal post adapter.

Print a universal post adapter for each model and glue the dovetail joint before painting. The paint and primer I used is shown in the last image.

0.3mm draft settings in PrusaSlicer worked well and the textured paint hid the lines really well.

If you happen to have a link to the original author for any of the items not listed, please message me and I will update this list. It's been a while since I downloaded the original gargoyles and I wasn't able to find all of the original listings. Thanks!
